CERTIFICATIONS

- UX/UI Design - Fastweb Digital Academy (October 2023)
- Digital Skills: User Experience - Accenture (March 2022)

I hereby consent to the processing of my personal data contained in this CV in accordance with Article 6.1(a) of the GDPR, i.e. Regulation (EU) 2016/679.

Junior UX/UI Designer with a Master's degree from start2impact University (2024) and a background in Oriental languages. I'm currently deepening my knowledge of fullstack development to carry my design solutions through to implementation and communicate more effectively with technical teams. I enjoy understanding how things work and making the user experience simple and enjoyable.
